

## Non-Profit Enterprise Support and Engagement Policy vs1 November 2024

### Non-Profit Enterprise Support and Engagement

Peter Rowland Group is committed to actively engaging and supporting the development and growth of non-profit organisations. Our collaboration and support initiatives focus on creating meaningful and sustainable impacts within the communities served by these organisations.

### Key Clients and Partnerships (Current)

- **Sovereign Hill Museum Australia:** Providing comprehensive catering solutions and hospitality services, supporting educational and community engagement initiatives that preserve Australian history and culture.
- **Abbotsford Convent:** Offering tailored catering and event services, contributing to the convent's vibrant community arts and cultural programs that benefit diverse community groups.

### Our Initiatives and Support Include:

- Specialised catering and event management services customised to support non-profit fundraising and community engagement activities.
- Strategic collaboration to amplify the impact and outreach of non-profit events and initiatives.
- Engagement in community-focused projects aimed at promoting cultural heritage, education, and social well-being.

Peter Rowland Group remains dedicated to nurturing our partnerships with non-profit entities, continuously exploring ways to extend our support and deepen our community impact.
